Everio R 2017

5m Water
Dust
1.5m Shock
-10°C Freeze

QUAD PROOF
LONG LIFE

5H Battery
Discover What's Out There

Everio R won’t sit quietly at home while you have all the fun. It’s built to be at your side, in the midst of it. Count on it to capture every moment with exceptional quality, ready to share the moment you come home.

Quad Proof + Long Life

5m Waterproof
Whether you drop it into water or dive with it, IPX6/IPX8 certified waterproofing keeps Everio R running.

Dustproof
IPSX certified dustproofing lets you use Everio R in some seriously dusty environments without worry.

1.5m Shockproof
Accidental droppage can destroy an ordinary camcorder, but Everio R is built tough to take it in stride.

-10°C Freezeproof
Take Everio R out in the snow or on the slopes – even if you’re freezing, Everio R will keep working.

5H Internal Long-Life Battery
Shoot entire events, with no risk of damage by changing the battery in bad weather.

Compatible with Portable Battery*2 and USB Charging
Additional power wherever you are.

5H Battery

Note: Quad Proof is not a guarantee of protection against damage and malfunction.
Teaming with features to support your adventures

Full HD 1920x1080 Recording
Record, watch and share high quality video in native Full HD resolution. 1080/50p progressive recording is also available for high-end models.

Enhanced Image Stabiliser
Count on steady, less jittery images with effective compensation for camera shake.

40x Optical and 60x Dynamic Zoom
Zoom to 40x magnification with full optical quality, then beyond to 60x without sacrificing resolution.

Recording with LCD Monitor Closed
Recording continues even when the monitor is closed so you can use the camera in more active situations.

Wi-Fi Functions
• Remote Recording and Data Transfer*

• Various Functions using Tablet and Apps*

Works with iMovie and Final Cut Pro X
Edit your video afterwards just like pros do.

Zoom Position Memory and Zoom Microphone
You can instantly return to a pre-set zoom position while the zoom microphone varies the focal point to match the picture.

Conversion Lens Attachable
A 37mm filter thread enables you to attach various third-party filters and conversion lenses. Boost your creativity.

Teaming with features to support your adventures every scene, every occasion, every style.

Provided Accessories
- AC Power Adapter and Cable
- AV Cable
- USB Cable
- Lens Cap

Precautions for Quad Proof Function
- All function due to misuse by the customer is not covered by warranty.
- Before use in water, be sure to read the "Detailed User Guide" in the built-in memory of the camcorder.
- Close the connector cover firmly until it clicks and confirm that the red sign completely goes off.
- Make sure that there is no damage to and no foreign material adhered to the packing inside the cover.
- Use the camcorder in marine water and fresh water not deeper than 5m and for not more than 30 minutes.
- The waterproof cannot be guaranteed if the camcorder is subject to impact such as dropping.
- Do not apply impact in water.
- Do not soak the camcorder in hot springs or water of 40°C or higher.
- Dustproof function is not meant to encourage use on sand. Avoid use in conditions where sand and/or dust particles can become lodged in moving parts such as the LCD monitor hinge and zoom lever.
- Temperatures between 0°C and -10°C temporarily lower battery performance, reducing the time available for recording.
- Quad Proof is not a guarantee of protection against damage and malfunction.

Everio MediaBrowser™ 4
